☐ Our sponsorship contributors are interested in automatically applying sponsorship money of any cancellation to another qualified applicant in the event that no one else on our sponsorship list may attend ALA MGS 2027. If selected, please check one of the options below:

- ☐ Our contributors would like the ALA MGS Committee to select another qualified applicant.
- ☐ Our contributors would like the ALA MGS Committee to forward applicants to our Unit for selection.

The ALA MGS attendees will mail a personal note of appreciation to each contributor. It is extremely valuable for the ALA MGS program that you provide accurate contact information for each contributor below. If you do not have an accurate mailing address for the contributor, please include a contact address in which the citizen correspondence can be sent to for you to hand deliver to the contributor. For 2027, we are trying to collect good contact email addresses for each contributor. If you do not have one, you can leave it blank. Once again, these are extremely helpful for donor appreciation messages.

Additional Information:

You do not need to print and send the information below with your pledge form

- Applicant Information:
 - If you have more than ten (10) applicant names, please print multiple copies of page 2 to complete your information.
 - All applicants must be nominated by their high school counselor or designee via the online portal. If you are the main ALA MGS point of contact for your school and need access to your online portal, please e-mail headquarters@missourigirlsstate.org.
 - If you are waiting on donations to sponsor additional citizens, send in your remaining citizens as alternates and mail payment and alternate upgrade information as you receive additional donations. It is possible we reach capacity before our March 10th, 2027 priority date. Please, do not wait until funds for all applicants are secured as that may risk the acceptance of all of your applicants.
 - If you have alternates on your pledge form, writing a ranking order next to your alternates is helpful for ALA MGS Headquarters.
- Sponsorship:
 - If you need assistance locating contributors to assist with sponsorship, please contact headquarters@missourigirlsstate.org as soon as possible. ALA MGS is staffed year-round by volunteers only. We do not have the ability to locate sponsors for every applicant for the 2027 session, however, we will do what we can to assist you in getting started. **We strongly encourage you to reach out to businesses and organizations in your community early!**
 - Schools can pay the sponsorship directly, but applicants' families are not permitted to pay the sponsorship fee.
 - If you wish to pay with a credit card, you may pay online at www.missourigirlsstate.org/online-store. Please attach your receipt to your pledge form and mail it by the deadline. Your pledge form and receipt may also be e-mailed to headquarters@missourigirlsstate.org. Any questions for credit card payment may be sent via e-mail.
- Contributing Organizations:
 - If you have additional sponsors, please complete and include page 4 with your pledge form.
 - When collecting funds for sponsorship, please request the donations for the ALA MGS 2027 citizen experience and not place as much stress on the individual the donor is contributing to. That way, if the citizen cancels, the donor knows the funds are still utilized for another citizen.
 - If your contributors are not finalized at the time of sending in this pledge form, you may leave the contributors blank and send sponsor information via email to headquarters@missourigirlsstate.org by May 19, 2027.
- Deadlines:
 - The deadline for the School Pledge Form document and the required sponsorship fee(s) is **March 10, 2027**. Please keep in mind that all applicants are accepted as citizens in the order they are received with payment. If capacity is met before **March 10, 2027**, your paperwork and sponsorship fee will be on a waiting list.
 - The deadline for a full refund is **May 19, 2027**, and a partial refund (\$250) is **June 6, 2027**.
 - Contact headquarters@missourigirlsstate.org if you are notified of cancellations of citizens OR alternates. If a citizen you selected cancels, we will provide you with the opportunity to move any alternate on your paperwork to citizen status.
- Next Steps:
 - Please ensure that all applicants you are sponsoring are notified that you have selected them to serve as a citizen or alternate. Please ensure that all applicants know they must attend the duration of the session (June 19-June 26, 2027). Regular communication with your selected candidates ensures better turnout and response rates closer to the session.
 - All selected citizens and alternates will receive a letter via email and US mail around May 1, 2027, with directions for the required orientation process. This must be completed by June 6, 2027. If a citizen does not complete the orientation process by this date, they are no longer eligible to attend ALA MGS 2027, and refunds are not issued.
