October 2026

Dear ALA Unit President and/or Girls State Chairman:

The American Legion Auxiliary (ALA), Department of Missouri is excited to hold the 84th session of ALA Missouri Girls State (ALA MGS) on June 19-June 26, 2027. We look forward to hosting our program at Lindenwood University in St. Charles, Missouri for the sixth year. This letter provides information and instructions for selecting your Unit's citizens to attend ALA MGS. Each Unit may send citizens at the fee of \$500 per citizen. It is important to note NOW that ALA MGS is planning to have 850 citizens in attendance at our 2027 session.

To assist you with updates towards this participation goal, District Presidents will receive regular communication from ALA MGS Dean of Admissions, Mrs. Megan Wilson. This will include students that have applied to the program, students that have received school nominations to attend the program, and those that have already received sponsorship payment to attend the program. District Presidents will carry the responsibility to request additional contacts to be added to this communication method (such as Vice Presidents or Girls State Chairmen) and then will be responsible for forwarding any updates on to their Unit Presidents.

Each American Legion Auxiliary Unit is not limited in the number of citizens the Unit may sponsor, but please remember that only paid applicants are considered accepted citizens. It is possible that all spots will be full before the priority application date of March 10, 2027, so please know that your applicants may be placed on a waitlist if not sent in before capacity is met.

For 2027, all interested eligible individuals complete an online application for ALA Missouri Girls State. The high school principal, or designee, must "nominate" each applicant in the online portal for their high school. This "nomination" notes that an applicant is of high academic and leadership standing and serves as a school approval of the candidate (similar to a required signature from a school representative on previous applications). If a high school contact needs a link to their portal, it can be requested by emailing headquarters@missourigirlsstate.org. Only applicants nominated by their school are eligible for sponsorship by ALA Units or their school. If you need information on the nominated students from high schools in your area, please contact headquarters@missourigirlsstate.org. ALA MGS Headquarters can provide you with electronic copies of the online applications so the ALA Unit can proceed with selecting candidates. The nominated students from the high school(s) are endorsed candidates for the program - all ALA Units are still able to make their own selections of who to sponsor from the applicant pool.

Please note: If your ALA Unit has a set process in which they wish to make their selections, we can assist you with that process by knowing the details of how you proceed. For example, ALA Unit 5 in Jefferson City

assists with sponsoring students at all Jefferson City high schools. We can help to be a bridge of communication between your Auxiliary Unit/Legion family and the high school as needed!

It is strongly encouraged to not select your candidates prior to our January 15th, 2027 early admissions date. The ALA MGS and MBS programs consistently make every effort possible to get information disseminated about our programs, but selecting candidates before that date often leaves out many quality candidates due to not having the information from their school counselor, instructor, or principal yet. January 15th is our early admissions date in which we encourage as many students as possible to apply by.

The required materials are due on or before our priority application date of March 10, 2027. We have included the 2027 Unit Girls State Chairman information sheet. You can download the ALA Unit pledge form and applicant booklet on the ALA MGS website at www.missourigirlsstate.org, under the "Sponsorship Information" tab. The pledge form is in a fillable PDF format to assist you. If you are able, please download and complete the form on your computer and print it out rather than handwriting your information on the printed copy. The ALA MGS committee will NOT mail out copies of any of the paperwork to Units.

The ALA MGS program encourages all sponsoring American Legion Auxiliary Units (or American Legion Family organizations such as TAL Posts, SAL Squadrons, and ALR Chapters) to select alternates upon original submission of paperwork to the ALA Department of Missouri. This allows all alternates to get the same information as citizens to prepare them for the ALA MGS 2027 session. If an accepted applicant does not meet orientation attendance requirements, only alternates who have completed the orientation requirement and have submitted their online application will be eligible for consideration to fill any vacancies.

Important Deadlines to Note for ALA Units/Legion Family Sponsors:

- January 15, 2027 - Early admission date for applicants to ALA MGS 2027. This is an advertised push for students to apply early to the program to increase the potential applicant pool for Unit sponsorship in addition to finding community funds where ALA Units or Legion family organizations do not exist.
- March 10, 2027 – The priority application date subject to capacity limitations for sending one (1) copy of the Unit pledge form and the accompanying sponsorship funds to ALA MGS, Attn: MACAE MICKENS, 1242 Estates Drive, Warrensburg, MO 64093. Reminder - make additional copies of page two as needed and send in with your sponsorship payment. All information mailed to ALA Department office will delay processing time.
- April 15, 2027- This Standby Application Date is the final date applications will be accepted from students. "Standby" indicates these applications will only be considered as capacity and waitlist limitations allow. We encourage students to apply well before this final deadline in order to have the best chance of being selected for sponsorship.
- May 1, 2027- A letter will be sent by this date for US Mail to all accepted citizens and alternates with orientation information and required tasks to be completed before attendance at the session. This information will also be sent to all contacts via e-mail.
- May 19, 2027– Deadline for a full refund (\$500) for any accepted applicant's cancellation. If a contributing organization pays the fee, it will be the Unit's responsibility to return the money to said organization.
- June 6, 2027– Deadline for all citizens and alternates to complete the online orientation process. Individuals who have not completed this process by June 6th will be notified of their disqualification for the 2027 session AND no refunds will be given. For any citizen not completing the orientation requirement, Units will have the option to apply the funds to another ALA MGS citizen without current

funding, apply the funding toward an alternate, or receive a partial refund. The designated alternate must also have already completed the online orientation.

- June 6, 2027– Deadline for a partial refund of \$250 for any accepted applicant's cancellation. If a contributing organization pays the fee, it will be the Unit's responsibility to return the money to said organization. There will be no refund to the Unit after June 6, 2027, or for any citizens leaving at any time during the ALA MGS session. No replacements will be allowed or refunds made after June 6, 2027.

The ALA MGS program always has more qualified applicants than sponsorships. The ALA MGS Committee would happily match your Unit's sponsorship dollars with an applicant or forward applicants to your Unit for selection. The same process is available if the citizen your Unit has chosen to sponsor has to cancel. If your Unit does not select an alternate or your selected alternate is not available to attend ALA MGS, the ALA MGS Committee will match your Unit's sponsorship with a qualified applicant to sponsor their experience at ALA MGS 2027 or will forward applicants to your Unit for selection.

Lastly, please remember that the ALA MGS program remains committed to the expectation that no citizen of the program will provide personal financial sponsorship to attend. This includes asking the applicant's parent(s)/guardian(s) to pay the sponsorship cost. Further questions regarding this policy may be sent to headquarters@missourigirlsstate.org.

If you have any questions, please contact ALA MGS Headquarters via email below. As all members of the ALA MGS committee and staff are volunteers, please expect a 24-48 response time.

Sincerely,

Macae Mickens, Director, and Megan Wilson, Dean of Admissions

Auxiliary Unit Information and Procedures

Note: Only 2027 Pledge Forms will be accepted. Any previous years' paperwork will be returned to the sender.

Step 1: Selection of Citizens and Alternates

- ☐ Coordinate with local schools to select citizens to attend ALA MGS. Each ALA Unit is not limited to a maximum number of candidates to sponsor. The sponsoring ALA Unit can also follow its selection process for candidates, but the high school must nominate them via the ALA MGS portal. If you need information about the candidates nominated by the high school, you may request it electronically by emailing headquarters@missourigirlsstate.org. The ALA MGS program will not mail printed copies of this information.
- ☐ When you have selected your citizen(s) and alternate(s), ensure that each citizen and alternate have completed their online application on the website www.missourigirlsstate.org and have received a nomination by the high school counselor.
- ☐ Direct each ALA MGS Applicant and their parent/guardian to review the ALA MGS 101 section of the program website at www.missourigirlsstate.org. This outlines what to expect as well as program policies.
- ☐ Reminder: If you have a set process in which your Unit/Post selects candidates, please email headquarters@missourigirlsstate.org and we will work to not interfere with your process.

Step 2: Prepare the Required Pledge Form

- ☐ American Legion Auxiliary Unit Pledge Form - Include the name of each citizen/alternate and the designated status (citizen or alternate). Each name included must have applied online and been nominated by the high school via the online ALA MGS portal. In addition to the citizen/alternate name, include contributor information for the citizen's sponsorship.
- ☐ If financial donations have not been finalized for the sponsorship of the citizens at the time of mailing in the pledge form, please e-mail a finalized sponsor list to headquarters@missourigirlsstate.org by May 19, 2027. An appreciation note is sent to each sponsor directly from the citizen to whom the funds are designated. If the contributor wishes not to be acknowledged, please note to remain anonymous.
- ☐ Sponsorship fee of \$500 per citizen - This should be sent as a check written to ALA MGS.
- ☐ Reminder: paperwork sent in without the designated sponsorship fee will not be accepted. It is suggested to send in citizen paperwork with payment as sponsorships are received rather than waiting until the March 10th deadline to send it all in at once. Capacity may be met prior to this date, leaving your selected students on the waitlist.

Step 3: Copy and Mail the Paperwork Packet

- ☐ Mail the ALA Unit Pledge Form and Sponsorship Payment to:
ALA MGS, Attn: MACAE MICKENS, 1242 Estates Drive, Warrensburg, MO 64093
The required paperwork and payment must be postmarked by March 10, 2027. Any citizen openings for the 2027 session after this date will be filled on a first-come, first-served basis. *Please note that capacity could be met before this date, and standby applications will only be considered if space remains.*

Step 4: Review the Deadlines Below and Make the Necessary Changes Early

- ☐ Notify ALA Missouri Girls State of any citizen or alternate cancellations as soon as they occur. This includes upgrading an alternate to a citizen. This can be done via e-mail to headquarters@missourigirlsstate.org.
- ☐ May 19, 2027- Deadline for a full refund (\$500) to ALA Units for any citizen cancellation
- ☐ June 6, 2027- Deadline for a partial refund (\$250) to ALA Units for any citizen cancellation.
