

## 2024 Orientation Schedule

All ALA MGS Citizens are required to complete an orientation by June 12<sup>th</sup>, 2024. We recommend attempting to attend an in-person orientation if your location and schedule allows. If not, you can attend one of the six online orientation options (across five different dates listed below). The online orientations will be held via a zoom meeting and the citizen must stay online for the duration of the meeting. The links for the online orientation are available on our website at [www.missourigirlsstate.org](http://www.missourigirlsstate.org) under "2024 Session Info."
