November 2016

Dear High School Principal and/or Counselor:

The American Legion Auxiliary, Department of Missouri will hold the 2017 Session of Missouri Girls State at University of Central Missouri in Warrensburg on Sunday, June 25 through Saturday, July 1, 2017. We recognize that not all School Districts are close to an American Legion Auxiliary Unit; therefore, in order for these schools to have representation at Missouri Girls State, we have included a 2017 Pledge Form in this online packet with instructions on how to participate. Each school may send 3 delegates and the fee will be $300.00 per delegate. Additional delegates may be sent but the Dean of Admissions must be contacted first. An additional transportation fee for chartered bus may be assessed and the school will be contacted at a later date regarding remittance. Bus is from St. Louis metro area only.

The Pledge Form, fees and all delegate registration forms are due **March 1, 2017**. We have included the 2017 School Procedures Information Sheet, School Pledge Form, Parent/Delegate Information Booklet, Contributing Organization Roster and Delegate/Alternate Registration Form. Please make copies as needed.

If you have selected alternates, we would like for the alternate to fill out the complete registration form and write ALTERNATE across the top of the form. This will allow us to already have the alternate’s information in the event the alternate upgrades to delegate.

Please read this booklet before completing your Registration Form. Additional information can be obtained on the web site at www.missourigirlsstate.org with contact phone numbers for any questions.

The Girls State program provides young women who have just finished their junior year in high school the opportunity to come together to study city, county and state government. It enforces the understanding that every person is an integral part of the political process and has a responsibility to make tomorrow a better time--the world a better place regardless of religious or political beliefs. It provides an opportunity to form a local government structure to deal with problems and situations as they arise and to see the political process work effectively.

**WHAT IS GIRLS STATE AND WHAT CAN BE EXPECTED?**

Missouri Girls State is an intensive week of government study and Americanism training sponsored by the American Legion Auxiliary. Americanism is the study of proper flag etiquette, the respect that the American Flag is due and a greater awareness of its importance and significance in American History.

Upon arrival each delegate is assigned to the Nationalist or Federalist political party--neither of which is affiliated with the Democrat or Republican Party. Party spirit and cheering provides support to those who choose to run for political office. In addition, all delegates are assigned to a city and the delegates of each city are housed together and eat at the Ellis Residence Hall Dining Hall. Each city forms a city government with elected officials who carry out responsibilities and duties as assigned. Three cities form a county, again with duties and responsibilities performed by its elected officials.

Finally, the state government is formed. Each political party holds a state convention complete with platform, resolutions, credentials and regulations committees, candidate speeches and party spirit. The primary ballot narrows the party candidates to the final general election ballot which elects the Governor, Lt. Governor, Secretary of State, Attorney General, Treasurer, and Auditor. Elected state officials may be invited to return the following session to perform duties as assigned.

The Highway Patrol is formed to provide law enforcement assistance and education to the delegates. The patrol assists as required, serving as the honor guard for the Governor, writing tickets, helping with court trials, and performing any duties assigned.

The General Assembly is the legislative branch of state government and each city elects five (5) Representatives and each county elects four (4) Senators. MGS General Assembly travels by chartered bus to Jefferson City for its second session in the actual respective chambers in the Capitol building. During the week, the General Assembly meets for several sessions to write, debate, and vote on various proposed bills.

Each delegate will select one of seven (7) classes to attend daily. Classes include Legislative Procedure, Law, Law Enforcement, Communication/Media, International Politics, Business School and Executive/Leadership School. An exam will be given on Friday. A passing grade on the exam,
active participation in the week’s activities, compliance of rules and regulations and attendance for the entire session [Sunday through Saturday] will enable a delegate to apply for two (2) or three (3) hours of college credit issued by University of Central Missouri.

Normally each day contains two (2) assemblies with guest speakers from political, business, and community service occupations. Delegates may participate in the MGS band or chorus which performs before assemblies and the Friday inauguration of state officials.

MGS provides the opportunity to experience college living, meet new friends and expand awareness of other types of Missouri living, either rural or urban. A MGS store has a wide variety of souvenirs, clothing, and snacks. During free time, all delegates have the opportunity to network and share high school, student council and club ideas and activities.

MGS is a seven-day session which can be physically, mentally and emotionally strenuous. The program is structured as a very intensive learning situation and involves a great deal of walking among campus buildings.

If selected to attend Missouri Girls State, a delegate or alternate must register and complete the on-line application form on the MGS website and submit it to her school for required signature. The application form, pledge form, contributing organization roster and tuition fees must be received by March 1, 2017 deadline or before capacity is reached. The MGS rules and regulations are listed on a screen in the on-line application process and in this booklet. The delegate or alternate must agree to comply with them.

**ATTENDANCE POLICY**

A delegate must remain at Girls State for the ENTIRE session, June 25-July 1, 2017 to receive credit for the program. The sponsoring organization, unit, and school are informed when a delegate fails to attend MGS or leaves before the program is completed.

All accepted delegates will download the complete delegate packet which will be available on or about April 1st from the website www.missourigirlsstategirls.org which includes more information and forms to be completed and brought to Girls State.

American Legion Auxiliary, Department of Missouri, Missouri Girls State reserves the right to accept or reject any delegate nominated to attend Missouri Girls State.

Any delegate of Missouri Girls State found to be violating MGS Rules and Regulations will be subject to immediate dismissal without refund and barred from further participation in the program. The parents will be notified and requested to come pick up their daughter. The American Legion Auxiliary unit, contributing organization, and school will be notified when a delegate fails to complete the course and a request will be made to the school that Missouri Girls State be stricken from the delegate’s academic record. A delegate who fails to complete the Missouri Girls State session without just cause, barring illness or death in the family, may be held responsible for reimbursing the delegate fee to her financial sponsor.
